

CURRICULUM VITAE ANNE-LAURA VAN HARMELEN**PERSONAL**

Full Name: Anne-Laura van Harmelen
 Date of Birth: 13-08-1982
 Languages: Dutch: Native, English (written and spoken): Excellent, Swedish & Norwegian: Beginner
 Address: 245 Ditton Fields, CB5 8QH, Cambridge, United Kingdom
 Telephone: +44 746 083 1104
 E-mail: avanharmelen@gmail, av391@cam.ac.uk, av391@medschl.cam.ac.uk
 Website: www.annelauravanharmelen.com

RESEARCH POSITIONS:

2016-date **Royal Society Dorothy Hodgkin Research Fellow**, Senior Research Associate, Department of Psychiatry, University of Cambridge
Research: The neurobiology of resilience after child maltreatment.

2014-2016 **Rubicon Research Fellow**, Department of Psychiatry, University of Cambridge
Research project: Does adolescent friendship support reduce the neurobiological effects of child emotional maltreatment?

2013- 2014 **Postdoctoral Research Associate**, Department of Psychiatry, University of Cambridge.
Maternity leave from Sept 2012-March 2013 and from March 2015-June 2015.

TEACHING POSITIONS:

2015-date **Full Fellow class B** and **Director of studies** for Psychology and Behavioural Sciences at Lucy Cavendish College, University of Cambridge

2015-2016 **Undergraduate tutor**, Lucy Cavendish College, University of Cambridge

2014 – 2015 **Research Associate**, Lucy Cavendish College, University of Cambridge

2008 – 2013 **Academic teaching** (part-time), Department of Psychology, Leiden University, the Netherlands.

EDUCATION:

2008 - 2013 **PhD** Leiden University (part-time), Leiden, the Netherlands. Defense date: 10 December 2013
Thesis: Childhood Emotional Maltreatment: impact on Cognition and the Brain.

2006 - 2008 **Master of Science** (Cum Laude: Highest Honors), Departments of Psychology; VU University Amsterdam, the Netherlands
 Harvard University, Cambridge MA, USA (internship; Jan-June 2007):
Emotional memory and development of PTSD disorder in women with a history of childhood sexual abuse.
 University of Oslo, Oslo, Norway (Erasmus exchange student; Aug- Dec 2006)

2003 - 2006 **Bachelor of Science**, Department of Psychology, University of Groningen, Groningen, the Netherlands.

1999 - 2003 **Bachelor of Physical Education**, Specialization in special needs, Windesheim College, Zwolle, the Netherlands

FUNDING INCOME- PI

2016 Royal Society Dorothy Hodgkin Fellowship (**£295.747,-**) **PI**. the university of Cambridge receives an additional £200.000,- to cover estate and indirect costs for this fellowship.

2015 Additional Rubicon Fellowship to cover maternity leave (**£11.709**), **PI**.

2014 Returning Carer's Scheme, University of Cambridge (**£7250**), **PI**.

2013 Rubicon Fellowship from the Netherlands Organization for Scientific Research (**€160 000**), **PI**.

CURRICULUM VITAE ANNE-LAURA VAN HARMELEN**FUNDING INCOME- CO-I**

- 2017 Bernard Wolfe postdoctoral Fellowships (**£350.000,-**: June 2017-2020). Co-I, with Profs Ian Goodyer and Paul Fletcher. Awarded to Lisa Ronin and Lizanne Schwaren
- 2017 EIT Health grant (**€46.000,-**). An Online Course for Adolescents about their Mental Health, Co-I. awarded to T. Oldenhinkel.
- 2016 MRC-PhD studentship (**£27.000,-**), Mentor, awarded to J. Fritz).

AWARDS:

- 2011 Poster presenter award, Netherlands study of Depression and Anxiety symposium (**€150**)
- 2010 Nominated for the Best article award, Faculty of Social Sciences, Leiden University.
- 2009 Poster presenter award, Netherlands study of Depression and Anxiety symposium (**€150**)
- 2009 Travelers Award, American Psychological Society (**\$200**)
- 2009 Leiden University Fund (LUF) travel award (**€600**).
- 2007 Vu University Fund travel award (**€300**).
- 2006 Groningen University Fund (GUF) travel award (**€900**).

ACADEMIC SUPERVISING

- 2016-date Supervisor J.Fritz, MRC-PhD student. Department of Psychiatry, University of Cambridge
- 2015-date Academic advisor to E. Davis, PhD student. Department of Psychiatry, University of Cambridge
- 2015-date Director of Studies Psychology and Behavioural Sciences at Lucy Cavendish College, Cambridge
- 2016-date Supervisor N. Creasy, second year PBS student research internship, University of Cambridge
- 2015-2016 Undergraduate Tutor, Lucy Cavendish College Cambridge
- 2008-2012 Bachelors thesis students (32 students), Leiden University, the Netherlands
- 2008-2013 Research Master thesis students (22 students) & Masters Internship students (2 students), Leiden University, the Netherlands

ACADEMIC TEACHING

- 2014 Lecture 'the impact of maltreatment on cognition and the brain' to psychiatrists in training.
- 2014 Two hour workshop on Brain analyses to first year PBS students, University of Cambridge
- 2010-2012 Stress & Health Psychology (>300 students), Leiden University, the Netherlands
- 2009- 2011 Psychological Diagnostics and Treatment (20 students), Leiden University, the Netherlands
- 2010- 2012 Experimental Clinical Psychology (18 students), Leiden University, the Netherlands
- 2007-2008 Cognition (16 students), Vu University, the Netherlands

AD HOC PEER REVIEWER FOR:

(Amongst others); *The New England Journal of Medicine*, *JAMA Psychiatry*, *Biological Psychiatry*, *Human Brain Mapping*, *Journal of Child Psychology and Psychiatry*, *Social Cognitive and Affective Neuroscience*, *Child Abuse & Neglect*, *Developmental Cognitive Neuroscience*, *Social Psychiatry and Psychiatric Epidemiology*.

ORGANISATIONAL:

- 2016: Member of the Equality and Diversity Committee, Department of Psychiatry, University of Cambridge
- 2014: Founder and chair of the Department of Psychiatry Postdoc Committee.
- 2013: Founder of the Department of Developmental Psychiatry Journal club
- 2008-2011 Member of the Department of Clinical and Health Psychology Daily Board, Leiden University.
- 2007 Student reviewer for the American Psychological Association

CURRICULUM VITAE ANNE-LAURA VAN HARMELEN**ACADEMIC PUBLICATIONS**

*****Peer reviewed publications summary*****

All impact factors and citations as per Jan 2017 (Google Scholar).

Total number of citations: 505, H-index: 8

In preparation:

- 1) **van Harmelen, A.-L.**, Whitaker, K.J., Schwenen, L.J.S., Jones, P.B., Bullmore, E., Dolan, R., The NSPN consortium, Fonagy, P., & Goodyer, I.G. Increased myelination in the social brain is associated with resilient functioning in adolescents with a history of child emotional maltreatment (currently analysing)
- 2) Fritz, J., Stretton, J., Walsh, N., Schweitzer, S., Dalgleish, T., Goodyer, I., & **van Harmelen, A.-L.** Can friendship support reduce the stress related brain functioning in adolescents with a history of child maltreatment? (paper with co-authors)
- 3) Fritz, J., de Graaff, A.-M., Caisley, H., **van Harmelen, A.-L.***, & Wilkinson, P. O*. (2017). Resilience following Childhood Adversity (CA): A Systematic Review of Resilience Factors which Mitigate the Risk of Psychopathology after the Exposure to CA. *shared senior authorship (currently writing)
- 4) Cassles, M., **van Harmelen A.-L.**, Jones, P.B., Gooyer, I.G., Wilkinson, P. Family dysfunction and psychiatric illness mediate the link between childhood adversity and adolescent self-injury. (paper with coauthors).
- 5) Kievit, R.A., Brandmaier, A.M., Ziegler, G., **van Harmelen, A.-L.**, de Mooij, S., Moutoussis, M., Goodyer, I.G., Bullmore, E., Jones, P.B., Fonagy, P., the NSPN consortium, Lindenberger, U., & Dolan, R.J. Developmental cognitive neuroimaging using Latent Change Score models: A tutorial and applications (Invited article for Development and Cognitive Neuroscience) (status: paper ready to be submitted).

In (re)submission:

- 1) **Van Harmelen, A.-L.**, Kievit, R.A., Ioannidis, K., Jones, P.B., Bullmore, E., Dolan, R., The NSPN consortium, Fonagy, P., & Goodyer, I.G. Adolescent friendships predict resilient psychosocial functioning across multiple domains after child emotional maltreatment. (in revision at Psychological Medicine).
- 1) Ioannidis K., & **van Harmelen, A.-L.** Bending but not breaking, the neurobiological and clinical aspects of resilience after childhood emotional maltreatment.
- 2) Lewis, G., Ioannidis, K., **van Harmelen, A.-L.**, Stochl, J., Neufeld, S., Jones, P.B., Goodyer, I.M. Advanced breast, but not pubic hair development, is associated with depression symptoms and diagnoses in adolescent females: a prospective longitudinal cohort study (submitted to Journal of Child & Adolescent Clinical Psychology).
- 3) Kalisch, R., Baker, D.G., Basten,.....**van Harmelen, A.-L.**, Kleim, B., International Research Alliance, DFG Collaborative Research Center. Human stress resilience in the 21st century: making a true contribution to mental health science- a position paper. In revision for the American Journal of Psychiatry.

- 6) **van Harmelen, A.-L.**, van Tol, M.J., Dalgleish, T., van der Wee, N.J.A., Aleman, A., Spinhoven, Ph., Penninx, B.W.J.A., Veltman D.J., & Elzinga, B.M. (2014). Hypoactive medial Prefrontal Cortex functioning in adults reporting childhood emotional maltreatment. *Social Cognitive and Affective Neuroscience*, 9, 2026-2033. Impact. Factor=5.1, cited=21.
- 7) **van Harmelen, A.-L.**, Hauber, K., Boon, A., Gunther Moor, B., Spinhoven, Ph., Crone, E.A.M. & Elzinga, B.M. (2014). Childhood Emotional Maltreatment severity is associated with dorsal medial Prefrontal Cortex responsivity to social exclusion in young adults. *PLOS ONE*, 9, e85107. Impact Factor=3.2, cited=18.
- 8) Walsh, N.D., Dalgleish, T., Lombardo, M.V., Dunn, V.J., Abbott, R., **van Harmelen, A.-L.**, Ban, M., & Goodyer, I.G. (2014). Differential influence of childhood adversity and psychiatric history on variation on cerebellar and amygdala-hippocampal grey matter volume in adolescents. *Neuroimage Clinical*, 4, 308- 318. PMC4107373. Impact Factor=2.5, cited=17.

CURRICULUM VITAE ANNE-LAURA VAN HARMELEN

- 9) **van Harmelen, A.-L.** (2013). *Childhood emotional maltreatment: Impact on cognition and the brain* (PhD thesis). Clinical, Health and Neuropsychology, Social Sciences, University of Leiden, the Netherlands. Supervisor(s) and Cosupervisor(s): Elzinga B.M., Spinhoven P., Penninx B.W.J.H.
- 10) Moors, A., de Houwer, J., Hermans, D., Wanmaker, S., van Schie, K., **van Harmelen, A.-L.**, de Schreyver, M., de Winne, J., & Brysbaert, M. (2013). Norms of Valence, Arousal, Dominance, and Age of Acquisition for 4300 Dutch Words. *Behaviour Research Methods*, 45, 1, 169-177. Impact Factor=2.1, cited=71.
- 11) **van Harmelen, A.-L.**, van Tol, M.J., Demenescu, L.R., van der Wee, N.J.A., Veltman, D.J., Aleman, A., van Buchem, M.A., Spinhoven, Ph., Penninx, B.W.J.A., & Elzinga, B.M. (2013). Enhanced amygdala reactivity to emotional faces in individuals reporting childhood emotional maltreatment. *Social Cognitive and Affective Neuroscience*, 8, 362-369. Impact Factor=5.1, cited=82.
- 12) **van Harmelen, A.-L.**, Elzinga, B.M., Kievit, R.A., Spinhoven, Ph. (2011). Intrusions of autobiographical memories in individuals reporting Childhood emotional maltreatment. *European Journal of Psychotraumatology*, 2, 1-11. Impact Factor=2.4, cited=4.
- 13) **van Harmelen, A.-L.**, De Jong, P.J., Glashouwer, K.A., Spinhoven, Ph., Penninx, B.W.J.A., & Elzinga, B.M. (2010). Childhood abuse and negative explicit and automatic self-associations; the cognitive scars of emotional maltreatment. *Behaviour Research and Therapy*, 48, 486-494. Impact Factor=3.85, cited=78.
- 14) **van Harmelen, A.-L.**, van Tol, M.J., van der Wee, N.J.A., Spinhoven, Ph., Penninx, B.W.J.A., Zitman, F., Aleman, A., Veltman, D.J., & Elzinga, B.M (2010). Reduced medial prefrontal cortex volume in adults reporting childhood emotional maltreatment. *Biological Psychiatry*, 68, 832- 838. Impact Factor=11.2, cited=191.
- 15) Talsma, D. & **van Harmelen, A.-L.** (2009). Procedures and strategies for optimizing the Signal to noise ratio in event related potential data. *Brain Signal Analysis*. Cambridge, MIT press 205-224 (Book Chapter). cited=3.

Contributed to consortia:

- 1) Whitaker, K.J., Vértés P.E., Romero-García, R., Váša, F., Moutoussis M., Prabhu, G., Weiskopf, N., Callaghan, M.F., Wagstyl, K., Rittman, T., Tait R., Ooi, C., Suckling, J., Inkster, B., Fonagy P., Dolan, R.J., Jones, P.B., Goodyer, I.M., **the NSPN Consortium** & Bullmore E.T. Adolescence is associated with genomically patterned consolidation of the hubs of the human brain connectome. *PNAS*, 32, 9105-9110. Impact factor=9.5, cited=13

PRESENTATIONS

ORGANIZED SYMPOSIA/ CONFERENCES:

- 1) **How to approach the integrative analysis of multi-modal data in longitudinal cohort studies** (Dec 13th, 2016, Chair).
- 2) **No Nurture, No Chance** conference (May 15th 2015, Chair).
- 3) **Multivariate perspectives on mental health disorders: behavioral, neural and genetic approaches.** Chair. American Psychological Society Conference, 22-25 May 2014, San Francisco.

INVITED TALKS

- 1) **Risk and resilience after childhood emotional maltreatment.** Lucy Cavendish College, Anna Bidder Talk, Feb 22th, 2017.
- 2) **Mental health risk and resilience after childhood emotional maltreatment,** 31 Jan 2017, ICN UCL, London.
- 3) **Scars of early life stress.** Jan 23th 2017, Newnham College, University of Cambridge. At *From Kindertransport to Calais* event.
- 4) **Childhood emotional maltreatment; impact on cognition and the brain,** University of Pittsburgh, USA 10 November 2016
- 5) **The scars of childhood emotional maltreatment.** Department of Psychology, University of Berne, Switzerland, 7 April 2016.
- 6) **The importance of friendships in the aftermath of child maltreatment.** No Nurture No Chance conference, Homerton College Cambridge, 15th May 2015.
- 7) **Sticks and Stones may break my bones but words will never hurt me? The impact of childhood emotional maltreatment on the social brain.** MRC Social Genetic and Developmental Psychiatry Center, London, 29th jan, 2015.
- 8) **Friendships and family support reduce subsequent depressive symptoms and mental illness in at-risk adolescents.** Association for Psychological Science Conference, San Francisco, May 2014.
- 9) **Childhood Emotional Maltreatment.** European Society for Traumatic Stress, Bologna, Italy, June 7th, 2013
- 10) **The neural correlates of emotional memory in adults reporting childhood emotional maltreatment.** Department of Developmental Psychiatry, the University of Cambridge, Cambridge, UK, February 01th 2012.
- 11) **The cognitive and neurobiological scars of childhood emotional maltreatment.** Medical Research Council, Cognition and Brain Sciences Unit, Cambridge, UK, January 24th 2012.
- 12) **Investigating the cognitive and neurobiological impact of childhood emotional maltreatment.** Erasmus University, Clinical Psychology Department, Rotterdam, the Netherlands, May 9th 2011
- 13) **Investigating the cognitive and neurobiological impact of childhood emotional maltreatment.** Experimental Psychopathological symposium, Heeze, the Netherlands, March 4th 2011.
- 14) **Investigating childhood emotional maltreatment.** Leiden Institute of Brain and Cognition, Leiden, the Netherlands. November 18th 2010.

CURRICULUM VITAE ANNE-LAURA VAN HARMELEN

- 15) **Cognitive Neurobiology of childhood emotional maltreatment.** Neurobiology of PTSD workgroup, Leiden, the Netherlands, June 3^d 2010.
- 16) **The Neurobiology of childhood emotional maltreatment.** Dutch Congress of Psychiatry, Maastricht, the Netherlands, April 15th 2010.
- 17) **Suppressing negative autobiographical memories in individuals reporting childhood emotional maltreatment.** Masterclass prof. dr. E.A. Holmes, Leiden, the Netherlands, April 13th 2010.
- 18) **The Long-term neurobiological impact of childhood emotional abuse.** University Medical Centre Utrecht, Utrecht, the Netherlands, June 9nd 2009.
- 19) **The Long-term neurobiological impact of childhood emotional abuse.** The Netherlands study of Depression and Anxiety NESDA symposium, Amersfoort, the Netherlands, June 2nd 2009.
- 20) **The long-term structural scars of childhood emotional abuse.** Endo-Neuro, Psycho-meeting, Doorwerth, the Netherlands, June 5th 2009.

OUTREACH AND IN THE MEDIA:**Talks:**

- 1) **Scars of early life stress.** Jan 23th 2017, Newnham College, University of Cambridge. From Kindertransport to Calais.

Organized symposia/events:

- 2) **No Nurture, No Chance** conference (May 15th 2015, Chair).
- 3) Organizing committee member of the **Leiden Conference on Abuse and Neglect**, Oct 4-7, 2012.
- 4) Member of the **'Young academy visits you'** crew, where we tried to gain the enthusiasm of high-school students for Science in general, organized by the Dutch Academy of Sciences (Nov 5th 2008).
